

SCHUMANN WAVE GENERATOR

Harnessing the Earth's Natural Frequency to Support Your Well-Being

Our Schumann Wave Generator emits ultra-low frequency electromagnetic waves at **7.83 Hz**, the Earth's natural resonance frequency.

These frequencies are designed to help restore balance, reduce stress, improve sleep, and support overall cellular harmony.

KEY BENEFITS

-  **Promotes Relaxation**
Supports a calm mind and body
-  **Improves Sleep Quality**
Helps regulate natural sleep cycles
-  **Enhances Well-Being**
Encourages balance and overall wellness
-  **Supports Cellular Health**
Works at the frequency level to support vitality
-  **Connects You to Earth's Natural Rhythm**
7.83 Hz – The Earth's heartbeat

WHAT IS THE SCHUMANN WAVE?

The Schumann Resonance is the set of electromagnetic waves that occurs in the Earth-ionosphere cavity. The fundamental frequency is **7.83 Hz**, with natural harmonics enhancing its effects.

Peak frequencies include:
**7.83 Hz, 14.3 Hz, 20.8 Hz,
27.3 Hz, and 33.8 Hz**

HOW IT WORKS

- 1 Emits 7.83 Hz and harmonic frequencies
- 2 Frequencies interact with the body's bioelectrical system
- 3 Supports balance, recovery, and optimal function
